

Mission update from Pastor Constantin Florea, Emmanuel Church, Moldova:

We are well together with the brothers and sisters here. We have gone through a difficult winter period with much cold and snow, but now we are enjoying a beautiful spring full of sunshine.

Thank you very much for your financial support, for the warmth and love you show, and for the mission you are part of here in Moldova. We are especially grateful for the help given to poor families with food packages. Many of these families are not Christians, and through this help we have the opportunity to share the Gospel with them.

Through your love and the love of all the brothers and sisters, we are able to be present in the needs of these families, offering food packages, shoes, and clothes whenever possible. People are always very thankful and happy when we are able to help them.

Thank you very much also to the sisters who crochet with so much love for many families here. May the Lord reward them for their kindness.

Please pray first of all that the people who hear the Word of God will receive Christ into their lives.

Please also pray for the families we support with food: the children, single mothers, the elderly, and the sick, that the Lord would help them in all their needs.

Pray as well for our church and the work here, and for the mission in the villages where we serve.

We also ask you to pray for the exterior finishing project of the church building. The remaining work will cost around £15,000. We ask for your prayers and, if the Lord leads, also for financial help for this project.

We rejoice in the Lord and pray for you and for all the brothers and sisters there. Please warmly greet the church, Pastor James, and Ben and Entire church from us.

May God bless you all in His love.

With warm greetings and love,
Constantin and Liuba
